## 2. Maintenance 필드에서 Expiration 확인

The screenshot displays the ETAS web interface for managing license entitlements. The header includes the ETAS logo and navigation links: Home, Activation & Entitlements, Licenses, and Devices. The main heading is 'List of your Entitlements', with a subtext explaining that license entitlements are listed here and can be sorted by clicking on a column header.

Below the heading, there are controls for 'View' and 'Export'. A pagination bar shows 'Page 1 of 1'. A search bar is present with a filter icon, and an 'Advanced Search' link is available.

The main content is a table with the following columns: Type, License model, Original copies, Available quantity, Total quantity, Maintenance, and Product. The first row of data is highlighted, and the 'Maintenance' column for this row is enclosed in a red box. The text within this box is as follows:
